**AMERICAN CONCRETE PIPE ASSOCIATION 111TH ANNUAL CONVENTION
MARCH 23 - 26, 2019 - INDIAN WELLS, CALIFORNIA**

CHOOSE CONCRETE PIPE!

Please join Mark and Sherry Omelianiec at the 111th American Concrete Pipe Association Annual Convention at the Hyatt Regency Indian Wells Resort & Spa, California. The HR Indian Wells Resort & Spa is located on 45 acres of lush desert scape that includes two championship golf courses, tennis, swimming pools, private poolside cabanas, and a deluxe spa.

The convention program includes plenty of time for engaging with Past Chairs, Board Members, Committee Chairs, Associate Members, special guests and leaders of the concrete pipe industry from across the USA and Canada.

Focus of the Convention

ACPA's Staff and Board of Directors continues to focus on training and education for our "boots on the ground" team as well as agencies and engineers through our Education and Infrastructure Committees. ACPA and our members are enhancing our messaging techniques on the value of concrete pipe and related products through our new Marketing Task Group. Quality/Safety are on target for another successful year. Our work to ensure positive outcomes in Government Relations has increased as we find ways to defeat unnecessary legislation at the Capitol and in numerous states.

The 111th Annual conference is beginning with the Sunday morning golf event, Board Meeting and Sunday evening Welcome Reception. As part of the closing on Tuesday there will be a "80s New Wave" dinner and dance mixed with an exciting Foundation silent and live auction you will not want to miss.

Sunday, March 24

Enjoy the beautiful views on the Indian Wells Golf Resort for the ACPA Member Golf Tournament. Indian Wells Golf Resort is minutes away from the Hyatt Regency Indian Wells Resort & Spa. It is one of the few properties to have two courses ranked in the Top 25 "Best Municipal Courses in the United States" by Golfweek Magazine. The Celebrity Course & Players Course AKA "Beauty and the Beast" have hosted Golf Channel's Big Break and the PGA's Skins Game. The tournament will be a best ball shotgun start.

In the evening, the convention will officially open with a Welcome Reception at Hibiscus Terrace.

Monday, March 25

ACPA Chairman Omelianiec kicks off the meeting and welcomes all our members and guests. This is followed by our guest speaker then timely updates on national activities will follow from the Government Relations, Infrastructure and Research committee chairs.

After the meetings, join everyone by the pool to see if you still remember the 80s with some poolside trivia! Prizes will be awarded!

Awards Luncheon Highlights

This is a main event where members recognize the achievements of their peers with presentations of the Chairman's Safety Award and Quality Award and Richard E. Barnes Award.

The Chairman's Safety Award recognizes plants, individuals, and/or companies that have implemented successful safety initiatives resulting in a safer and more productive workplace.

The Chairman's Quality Award recognizes plants and/or companies that have implemented successful quality initiatives resulting in a product of repeated excellence.

The Richard E. Barnes Award is the highest recognition of support and service to the industry presented to an individual for lifetime achievement.

After the luncheon, delegates have the afternoon and evening to renew and build friendships that may include time at the spa, golf with Associate Members, and meetings of the mind at the nineteenth hole.

Tuesday, March 26

Tuesday morning begins with the ACPA Annual General Meeting lead by Chairman Omelianiec to approve recommended changes in by-laws, budget for 2019 and other important matters that may come before membership.

This is followed by the Research and Education Annual Meeting, Regional Engineers and then committee reports from the Chairs of the Education and Quality

Committees. The meetings conclude with Associates Committee meetings during the late morning followed by a presentation by Oliver Delery on the Government Relations Committee.

Chairman's Recognition Luncheon

The Chair gets to recognize the Board and Committee Chairs along with passing the gavel to our incoming Chair.

Dinner / Dance - 80s New Wave

Wind down the conference at the closing dinner and dance. The dinner will feature a special evening including the Annual Foundation Silent and Live Auction.

The dinner and dance are celebration of the ACPA outgoing Board of Directors led by Mark Omelianiec and the strategy of the incoming Board led by Jeff Hite for continued strengthening of markets for concrete pipe and precast.

If you need help with registration, hotel arrangements or have questions about the convention, please give the ACPA staff a call at (972) 506-7216. Join us to learn how the ACPA has served the concrete pipe industry though 2018, and what lies ahead for our strong and vibrant industry.
